Are you artistic?
Interested in photography?
Do you like designing things on a computer?

JOIN THE YEARBOOK COMMITTEE!

What is it??

A group of creative students who build the yearbook from the ground up - as a member, you will...

- take photos of team activities and events, AND sporting events, dances... anything and everything Oak
- Learn to use design software, so you can build your team's page and many others... as well as design the cover, the dedication... everything!
- Help sell the yearbook, talking it up on team and design the posters and flyers that will be all over the school

This is your chance to help shape the memories your peers will have for years to come -- come join us!

What do you need, to join?

- You must pay the school activity fee
- Be available on Mondays, from 2:30-3:30
- Be willing to be part of a team
- Be flexible, creative, and willing to learn!

If you're interested, talk to your homeroom teacher and fill out the survey below.
