Retake Policy

Retakes are available for all FINAL assessments. I use check-in assessments throughout units to guide instruction and to know what you need to work on, which is why retakes aren't available for those assessments. To retake an assessment you need to follow these simple steps!

Extra Help Information

Mondays from 2:30-3:15

Wednesdays from 7:30 am - 8:00

During AFT or enrichment

Extra sessions will be offered before assessments and during the retake process

High School Placements

Placement for high school classes will take place in February. Much more information will be coming about this, but keep in mind... to be considered for honors English you need to consistently score 3.5's and 4's (on the first try) and be consistent in all Essential Learning Skills.

Classroom Procedures

Check board outside door for materials

Bring iPad, writing utensil, binder, and book EVERY DAY!

Sit down and read the goal and the agenda

Do the warm up

Participate during class by working with your group

All work will be submitted through Schoology

All homework will be posted as an assignment on Schoology and on the board in the classroom
